This application seeks outline approval for the erection of two dwellings at 71 Woodhead Road, Honley.

At this outline stage, the application is for access and layout only, with all other matters reserved. Previous applications for two dwellings were submitted as application no. 2018/90143 and this is a variation of previous designs that were deemed acceptable from a highways perspective.

Although the submitted plan only shows sight lines from one of the proposed access points, the two accesses were pinpointed on-site and sight lines were demonstrated to the Highways DM officer at this time.

Whilst it is likely that the application would be acceptable from a highways perspective, please ask the applicant to provide:

- Visibility splays from each access dimensioned on a plan.
- Details of footway provision for the full frontage of the site demonstrated and dimensioned on a plan.
