Planning Application Reference 2019/91656 – ALDI – NEW HEY ROAD, HUDDERSFIELD

We, the undersigned, wish to express our concern at the two proposals to construct two supermarkets close to the Salendine Shopping Centre. This is a particularly important shopping facility for the local community; providing both a range of shops and an important meeting place. What is clear is that the two proposals could seriously undermine the viability of many of the shops in the Centre, leading to their potential closure and consequently the deterioration and eventual loss of the whole centre.

Planning Application Reference 2019/91656 – ALDI – NEW HEY ROAD, HUDDERSFIELD

We, the undersigned, wish to express our concern at the two proposals to construct two supermarkets close to the Salendine Shopping Centre. This is a particularly important shopping facility for the local community; providing both a range of shops and an important meeting place. What is clear is that the two proposals could seriously undermine the viability of many of the shops in the Centre, leading to their potential closure and consequently the deterioration and eventual loss of the whole centre.
