

Consultation response from KC PROW (footpaths)

2019/91630 4a, Ruth Street, Newsome, Huddersfield, HD4 6JF

Outline application for erection of 30 dwellings and 12 apartments with ancillary works

Date Responded : 4/9/19

Responding Officer : Sharon Huddleston

Although this application is outline only, PROW would comment that the application gives no indication of the affect the development will have on the recorded footpath Huddersfield 185. The footpath is the access to the site, and prow would need further information, including the number of access points, surfacing and if this section of Hart Street will be adopted.

If consent is granted, please add the following

FOOTNOTE Public footpath Huddersfield 185 is adjacent to the development site and is the access to the site and must not be interfered with or obstructed, prior to, during or after development works.
