Consultation Response from Trees Planning, KC Trees		
2019/91843 29, Allison Drive, Fartown, Huddersfield, HD2 2RA		
Erection of two storey side and rear extension		
Date Responded: 02/07/19	**Responding Officer: NG**	**Responding Ref:**

The proposals are for a large extension, jutting into the existing banking on which are established trees and an understorey of laural bushes. The trees are not considered to be of significant amenity given their location and situation, as such I have no objection to the proposed development.
