Address of the site or building:	1, Spring Grove, Clayton West, Huddersfield, HD8 9HH
Postcode:	HD8 9HH

User comments

Type of comment: An objection
I strongly object to the above planning application. The rear extension would would have no privacy at all. This proposed extension also has a rear balcony, again which would have full view This would pose an invasion of my privacy and totally out of character with the surrounding properties. Looking at the plans I cannot see how they have allowed external access to the back of house. The proposed extension goes right unto the boundary to the stream. Any obstruction to the stream will causes severe flooding.
