Dear Sir/Madam,

Wheelwright Centre Birkdale Road , Dewsbury WF13 4HG - Alterations and partial demolition to convert existing building to form 65 residential units, installation of mezzanine floors, associated landscaping works (soft & hard landscaping) and car parking layout (within a Conservation Area)

Thank you for consulting Yorkshire Water regarding the above proposed development. We have the following comments:

Waste Water

Based on the information submitted , no observation comments are required from Yorkshire Water as the surface water discharge from the site is still to be restricted to 66 (sixty six) litres per second .

Yours faithfully
