

About the application

Application number: 2019/92787	
What is the application for?:	Erection of 252 dwellings with open space, landscaping and associated infrastruc
Address of the site or building:	Land at Owl Lane, Chidswell, Dewsbury
Postcode:	

User comments

Type of comment: An objection

I find it quite frankly disgusting that this land is going to be destroyed to make way for new houses, for many reasons , the main one being green belt! Once this land is gone it's gone forever, no turning back.

The next , traffic. What will Kirklees council do about the increases number of cars? 252 houses, most houses have an average of 2 cars so let's say an extra 500 cars every morning and afternoon... the traffic around owl lane in rush hour is horrendous and this will only make it worse.

All you seem to care about is making profit, but where's the surprise in that? That's all anyone cares about these days.

This will in no way benefit the community of Gawthorpe or Chidswell. Dogloitch woods (ancient woodland) will never be the same again, no doubt becoming the victim to fly tippers and dog walkers who leave their dogs mess on the floor.

Also schools, where on earth will all these new kids go to school? Unless you build a new one...

What about the incredible view you get from the huntsman pub? Now it will overlook tightly packed together cheaply made houses full of first time buyers who wish they bought a proper house not a pop up ikea one.

All those people on Leeds road who have enjoyed beautiful fields behind their house for years and years, now they will face a poorly painted fence overlooking someone's back garden.

If this gets the go ahead it will make a lot of people extremely upset, but you already know that, and no doubt nothing will stop you from building anyway! But it's good to let people have their say isn't it?

Everything mentioned below (valid planning matters list) is a huge issue in this development.

Shame on you Kirklees for even considering this.
