traffic is already kaos in winter it's bad for ice, flooding they need there grenades space left as it is. It's a landmark it's lovely up there it's not acceptable for more houses not even one how much more traffic by if every house has 1 to 2 cars not to mention schools are already badly struggling with funding it's a disgrace leave the green area of chidswell alone were ever Kirklees can get a pay out n make cash the will this is about Kirklees making a profit once again Kirklees
