Type of comment: An objection
Dear Sir/Madam I am writing this letter regarding the planning application number 2019/93261. Golden Sleep LTD located at Dual House, Wellington Street, Batley, WF17 5TH. The owner of the business and premises has commenced the change of use of the building without having planning permission. I would like to make an objection to the permission being granted to the change of use of the building with these points: • Golden Sleep LTD opens at around 7am till around 7pm causing noise from machines and loading and unloading goods. There are residents living in the house and they are disturbed throughout the day due to this noise from Golden Sleep LTD. • If Golden Sleep LTD is granted permission to function, then there will be more cars and vans blocking the residents in the area. Access in and out of the street is needed for the residents 24/7 I request the points I have made to be taken into consideration on behalf of the surrounding residents and permission is not granted to the snooker club to operate. Yours Sincerely
