Type of comment: A general comment
<p>6 flats is too many for the location of the building. Even though they have identified 6 parking spaces most people living in accommodation have 2 cars and there is already a parking issue around the building as the road is on a major bus route with other local properties not having off road parking. If you attend the site on an evening around 5pm you will see how many parked cars are around plus moving cars & buses trying to pass safely.</p>
