| <p>I object to the plans for the conversion of the United Reformed Church (URC) on the following basis:</p> <ol style="list-style-type: none"><li>1. Impact on highway safety and traffic - There is no provision for visitor car parking and insufficient parking for residents. This will result in additional on-street parking on the Church Lane/Chapel Hill through-road and bus route, affecting visibility for traffic on the brow of the hill where the URC is sited, the junction with Cliffe Street, and access to adjacent properties.</li></ol> |
