

Consultation Response from KC, Conservation and Design**2019/93525 8, Morley Lane, Milnsbridge, Huddersfield, HD3 4NZ****Erection of advertising hoarding (within a Conservation Area)****Date Responded: 11.5.20****Responding Officer: Sue Oakley****Responding Ref:**

8 Morley Lane is located directly outside the boundary of the Milnsbridge Conservation Area and is near the Grade II listed canal bridge Cuckoo Bridge which dates to 1793-8.

A 6m x 3m advertisement hoarding is proposed, fixed to the rendered gable end of 8 Morley Lane, and facing uphill to the south west.

The gable end is highly visible when approaching the Milnsbridge Conservation Area from the south west, downhill along Morley Lane, and I have some concerns that a large advertisement hoarding will detract from the view of the conservation area and cause slight harm to its setting. I do not consider that it will harm the setting of the listed bridge.
