Hi Nick,

Yes please. Work as discussed.

Thanks

Sheila

Morning Sheila

Thank you for the email. Are you happy to go with the work we discussed at your property, in which case I'll add the details of the works to the decision notice?

Kind regards

Nick Goddard
Arboricultural Officer

Subject: Amendment to application 2019/93582

Dear Nick,

Please may I request an amendment to tree application 2019/93582. Upon further investigation it has been recommended that sycamore identified as T2 should be removed. Therefore I would like to change the application from pruning T2 to removal of T2 completely.

If necessary I can submit the report from Oneworld again.

I look forward to you approval for this work.

Many thanks.....Sheila Turner
