Type of comment: An objection
The main objections I have is the impingement on the existing surrounding properties. Second is the failure to provide sufficient space for an emergency vehicle to manoeuvre within the road area of April Court. Thirdly the plots mentioned within this application were originally subject to landscaping as per the plans approved for Dwellings number 1-5 on April Court. The landscaping was decided due to insufficient space caused by the required size of the turning circle. Yet the multiple more recent planning applications leads to the notion that the original plans including the size of the turning circle were not adhered to.
