Planning Application

2018/92018

Dear Sirs

I wish to object most strongly  
to a further extension to 11 Fern Close

This House was extended once before  
from 3 bedroom to a 5 bedroom

now we face a large extension  
double height after agreeing to a  
single height last year

This means my outlook would be  
restricted both to no winter sun &  
like wise in summer

I have ~~to~~ lived here for 50 years  
Most residents are taking against  
it. Please dont upset this for  
one selfish man.

Yours Sincerely
