Address of the site or building:	9, Back Green, Outlane, Huddersfield, HD3 3YT
Postcode:	HD3 3YT

## User comments

Type of comment: An objection
<p>This does not really fit in with the area decor, plus the area is a bit small to have a house extension and the area is build up too much already Also the roads here are falling apart and cannot handle lots of builders in trucks coming to erect this. It will completely cause the road the disintegrate!</p>
