Date Responded:06-01-2020	Responding Officer:Mark Berry	Responding Ref: 12-33-11

This application seeks approval to the erection of porch and an extension with a first floor flat above forming annexe accommodation associated with The Manor, 1, Top Of The Moor, Stocksmoor, Huddersfield.

These proposals provide an entrance, pool, garage and garden store to the ground floor with a flat above consisting of an office, lounge/kitchen and two bedrooms.

Existing access arrangements from Cross Lane are unchanged by these proposals and sufficient space for internal vehicle turning and parking is retained within a courtyard to the front of the development.

These proposals are considered acceptable to Highways Development Management.

No specific highway conditions are required.
