Dear Planning & Development Service

I am writing to ask the following questions:

1. What is the plan for the existing external party wall
2. To what height will the proposed 2 storey new build be built?
3. What compensation may be payable to the change in circumstance & aspect
4. What consideration is being given re impact on parking & congestion relating to St Pauls Road?

Please be specific in the answers in order that I can consider my legal position and until that time consider this to be an objection to the proposed development.

Yours faithfully
