Application No. 2019/62/94123/E

Dear Sir/Madam

I am a resident of
familiar with the area.

I am reasonably

After reading the application for the erection of a two-storey rear and side extension and single storey front extension, I would like to say that I have NO objection to the application.

The proposed designs seem to be fine and match the other properties in our area and in particular those who have had extensions. Therefore, there should not be a problem with the overall look of the area.

It is important to mention that the Oxford Park area is a hilly area and so the properties on higher ground are at a higher level compared to adjacent lower ground properties. This is not likely to change with this proposed extension.

Kind regards
