I massivley object to my local shop being destroyed for the sake of a yet another community centre! I and many others in this area use this shop daily, it is a lovely shop run by a friendly family, we've already lost the butchers amongst many other builiding to community centres which in my opinion do not do any good to the community. Parking is already a massive issue here as it is and in my opinion is very dangerous. I know of people on that road that have sold their houses due to parking issues for this to happen is beyond belief! enough is enough! there is community centres everywhere in Dewsbury alone and mosques! to ruin a family business for this is just totaly wrong. Can anyone tell me where the funding that has already been received has gone? I am very dissapointed!
