The Quality food store is needed here. The Double storey community centre is not needed here. I can see over 80 people objectors are really high number not to support the application. I don't understand why you have extended the deadline for comments further. Please council officers and Councillors take my comments seriously the people have got their verdicts of objections no matter how many times the Application is made and Khalid continue to play games please the planners be wise and continue to bear the objectors whether application is new or old in this case.
