<p>Please do not pass plan to demolish this building which is a big part of the history of Spen Valley but insist that any plans must incorporate the retention of the Shears building remaining. You passed the plan to erect the luddite statue at top of Knowler Hill so why on earth would you pass the plan to destroy the Shears pub from which the Luddites met and marched from. The building is a beautiful example of a coach house of that era and has been sympathetically restored as such do not let it be destroyed. If we destroy our history how would you expect anyone to be interested in visiting as a tourist.</p>
