I wish to support this application as I believe that Holmfirth Vineyard is a significant asset to the Holme Valley and the wider Huddersfield area. Since the addition of the new restaurant a few years ago, I have taken visitors from all of the country to this unique and impressive local attraction. We are so lucky to have a vineyard on our doorstep which brings tourism to Holmfirth and supports the Kirklees economy by employing approx 30 staff, using local suppliers and supporting schools and charities. This application extends the current licence for two hours for weddings Thu-Sun and will ensure that the Vineyard is able to compete with other venues for the lucrative wedding market. If this planning is not given, it means that the Vineyard cannot provide the event facilities that other venues can and will have a detrimental impact on this unique and thriving business. I fully support this application and thank you for allowing me to comment.
