

Consultation Response from KC, Conservation and Design**2020/90191 All Hallows Church, Westgate, Almondbury, Huddersfield, HD5 8XJ****Erection of concrete shed (within a conservation area)****Date Responded: 31.1.20****Responding Officer: Sue Oakley****Responding Ref:**

I consider this proposal to cause slight harm to the significance of the listed church by erecting a structure within the grounds. However the harm is mitigated by setting the shed into a recessed area to the rear of the listed building and painting the visible elevation to match the stonework of the extension. In addition the shed is a temporary structure. The public benefits of providing a lawnmower store for the maintenance of the church grounds outweighs the slight harm and therefore I have no comments.
