Erection of single storey side and rear extension		
Date Responded:09-03-2020	Responding Officer: Mark Berry	Responding Ref: 11-7NW-3
This application seeks approval to the erection of single storey side and rear extensions at 7, Woburn Drive, Waterloo, Huddersfield. Woburn Drive is an adopted residential cul-de-sac which is also access to the Waterloo Doctors Practice car park. This property is located at the end of the cul-de-sac and immediately adjacent to the access to the doctor's surgery car park. The existing property has an existing driveway leading to a garage at the rear of the property. On-street parking at this location is likely to be at a premium due to the proximity of the doctor's surgery. Highways Development Management would therefore recommend that if possible an additional parking space is provided to the front of the premises to compensate for the loss of existing off-street parking.
