

**Consultation Response from KC,
Conservation and Design****2020/90436 Land adj, 115, Westfield Lane, Wyke, BD12 9LY****Outline application for the demolition of 1no. dwelling house and the erection of residential development and associated works with details for access****Date Responded:****Responding Officer:****Responding Ref:**

The application is in outline form and seeks permission for means of access. An indicative layout is provided for consideration.

There are no heritage issues in relation to the site and as such I have no comments to make.

In terms of design I would suggest that a Building for Life assessment is carried out to inform the design at reserved matters.
