<p>This is right in the middle of a residential area so the noise levels would be very detrimental, especially if it was granted early and late opening times. The traffic on Leeds Road and that area is horrendous as it is. Adding a drive thru mcdonalds would increase traffic levels which will back up to surrounding areas. Also, the speeding up and down Leeds Road and Owl Lane on an evening by anti social drivers would most likely increase with an additional place to congregate in mcdonalds car park. McDonalds should be back towards the town centre to encourage people to visit and shop there.</p>
