<p>I beg and plead with you not to bring this hell hole to my neighbourhood. The traffic is already horrendous on Owl lane without the addition of a drive through McDonald's adding to this. Creating so much more air pollution to our already polluted and drastically reducing greenbelt spaces. The litter it will create will be absolutely horrendous. This area has enough disrespectful people around not taking care of the place they live in without idiots from all other areas littering. The area will become much noisier and the smell of these establishments are disgusting so i imagine all my clean washing will smell of it. The inside of my house will stink. The area will be cosumed with more rats. There is no benefit to having a McDonald's in Shaw Cross. Dewsbury town centre needs all the help it can get. Dewsbury needs this not us. I cannot comprehend the logistical thinking in this proposal when our town is on its knees. This must be stopped!!</p>
