<p>As a at the , this location would be unsuitable for a McDonald's restaurant. The area already has issues with traffic. A restaurant like this would add to the already apparent issues around child safety, so close to a infant school. A location further down owl lane maybe more sufficient, at dealing with traffic. Along with issues of litter that comes from all McDonald's, especially the ones that sit in the car park to eat then throw their litter out of the vehicle window. I'm sure most issue's will of been discussed already.</p>
