Postcode:	N2 8AW

## User comments

Type of comment: An objection
<p>This planning application should be refused. The site is close to two schools one of which is a high school. Approval of a fast food restaurant by a local council so close to a school in no way promotes healthy eating. It does the opposite. An application a short drive away in Leeds was refused because it was so close to a high school. What type of a message would Kirklees send out if it approves this application when it's neighbouring council rejected a similar one?</p> <p>In addition to this the area is already congested with traffic, approval of this application would further increase traffic and would have a negative impact on pollution.</p> <p>Litter would also increase - again a negative impact on the environment.</p> <p>If McDonald's want a restaurant in Dewsbury they should look at the Town centre as a suitable site.</p>
