we as are others are deeply concerned with the plans Kirklees has for this area without it seems any concern with how the infrastructure can cope and the welfare of people living in the area. This already congested and increasingly built up area will not b enhanced by the arrival of a drive through McDonald's. Traffic, pollution, safety ,noise and litter will all be increased, the road structure in this area can hardly cope with the traffic now.. this is all going to impact on the local residents who are gradually seeing this once desirable area destroyed.
