<p>This proposed development is something this residential area certainly doesn't need. Traffic on Leeds Road and Shaw Cross is very heavy most times of day and night. We all know how rubbish accumulates when fast food outlets are allowed enticing more vermin to the area. McDonalds are opening a new outlet just down the road on the way to White Rose Centre plus they already have a restaurant in the White Rose shopping centre. We already have two sandwich shops plus a Chinese takeaway which generate rubbish. Also two pubs which sell food. If Kirklees really need the promises and revenue from McDonalds, there are plenty of empty outlets in Dewsbury town centre which could accommodate them and would be more beneficial especially with all the students from the new colleges opening. Kirklees are wanting ideas for development of Dewsbury town centre and the area so more thought needs to be made to entice people to the centre.</p>
