Subject: Macdonalds Owl Lane Dewsbury.

I am wishing to voice my concerns about the new development, on Owl Lane Shawcross Dewsbury, re:Macdonalds.

I am a resident on owl Lane, and the traffic at times is horrendous, this new macdonalds, will make it worse. Also the noise pollution. We at Owl Lane, already have problems, with the noise from traffic, especially wagons, the only respite we get, is on an evening, this new development, will encourage the younger generation, to gather and cause nuisances. We already get the bus shelter here to be vandalised. Also it will encourage, rats, if their is no rubbish control. Which I know, happens at other similar, establishments. The land which, is proposed is a flood plain. I already get a flooded cellar, and I am concerned, about, where the excess water will go, when the concrete foundations go up, it has to go somewhere, probably my cellar. Please don't disregard my letter to you. I feel its important to point my views. Many thanks
Resident, Owl Lane.
