Subject: object to planning ref 2020/90492

21/2/20

Dear Sir/Madam

Application number

2020/62/90492/W

Last updated

18 February 2020

Applicant

N Akhtar

Location

27, Hill Grove, Salendine Nook, Huddersfield, HD3 3TL

Ward

Lindley Ward

Description / Development

Erection of single-storey and **first-floor extensions to rear**, formation of pitched roof, and erection of front porch (modified proposal)

I am writing in connection with the above planning application. I have examined the plans and know the site; we wish to strongly **object** the 1st floor elevation for the extending outwards only.

The 1st floor elevation will become:

- Overshadowing; causing further loss of light to property and furthermore loss to window. Will cause overshadowing and loss of daylight
- Overbearing in terms of its scale, massing and general dominating effect.

I hope these points are taken into consideration at the time of consultation.

Your sincerely
