<p>It is grossly unjust and inconceivable to refer to this land as an "unused bowling green". It was without question the best and most loved bowling green in the county - don't take my word for it, please refer to all local bowling associations for a reference (see Huddersfield Bowling Assoc, Yorkshire County Crown and the British Crown GBA). The green was anaaan local community sports facility for all ages and fell foul to the unfortunate decline of the licensed premises and its new owner. The only reason it is not in full usage today is due to the sabotage, neglect and malfeasance of the applicant. It has been his plan from day one to transform what was a wonderful bowling green into a disused facility. Action should be taken to return this facility to its former glory as a cornerstone of the local community, not a blatant and unashamed cash grab for the applicant. The question of affordable housing can be answered elsewhere in the local area with far more appropriate locations available.</p>
