10th March 2021

Dear Sir/Madam,

Holmfirth High School, Heys Road, Thongsbridge, Holmfirth - Formation of artificial grass pitch with associated features, including 8 15m high floodlights, fencing up to 4.5m, pedestrian circulation and access route, vehicular maintenance and emergency access with Springwood Road , erection of store, grass mounds, retaining structures and landscaping works

Thank you for your re-consultation letter with regards to the receipt of amended plans/additional information. It is noted that a revised surface water drainage layout drawing has been submitted, which shows surface water disposal is still via soakaway system, therefore no further observation comments are required from Yorkshire Water.

Yours faithfully

Jim McGlade
Planning Technician
