- a scheduled monument.

Yes  No

## 5. Description of Proposed Works, Impacts and Risks

Please describe the proposed development:

Conversion back to residential use from A1 shop use. It was originally residential in the for of an end terraced property.

Are any associated building works or other operations required to make this change?

Note that such works are restricted to those reasonably necessary to convert the building for use as a dwellinghouse (including partial demolition).

Yes  No

If yes, please provide details of the design and external appearance of the building(s) in regard to these building works or other operations (including partial demolition):

Internal works to install bathrooms and toilets in new locations.

What will be the net increase in dwellinghouses?

This figure should be the number of dwellinghouses proposed by the development that is additional to the number of dwellinghouses on the site immediately prior to the development.

1

Please provide details of any transport and highways impacts and how these will be mitigated:

There is off road parking to the rear.

Please provide details of any contamination risks and how these will be mitigated:

None

Please provide details of any flooding risks and how these will be mitigated.

A flood risk assessment should accompany the application where the site:

- is in Flood Zones 2 or 3; or
- is in an area with critical drainage problems (such areas will have been notified to the Local Planning Authority by the Environment Agency).

Check if your site location is in Flood Zone 2 or 3 online.

Check with your Local Planning Authority to see if your site is in an area with critical drainage problems.

Not in a flood risk zone.

Please provide details of the impact on the adequate provision of services based on the loss of the building's current use.

For example:

- Would there be a reasonable prospect of the building being used under it's current use class going forward?
- Would a unique shop, takeaway, launderette, professional or financial service be lost from the area if the use is changed?

It has been empty for some time and was previously residential.

Where the building is located in a key shopping area, please provide details of any undesirable impact on the sustainability of that shopping area:

Not applicable.
