TOWN AND COUNTRY PLANNING ACT 1990
Town & Country Planning (Tree Preservation)(England) Regulations 2012

NOTICE OF CONSENT TO FELL AND/OR PRUNE

Application Number: 2020/90736

In pursuance of its powers under the above mentioned Act and Regulations and the Tree Preservation Order made by the Kirklees Metropolitan Council (hereinafter called 'the Council') as Local Planning Authority and pursuant to the application submitted to the Council on 03-Mar-2020:-

THE COUNCIL HEREBY **CONSENTS** TO THE CARRYING OUT OF THE FOLLOWING OPERATIONS TO THE PROTECTED TREE(S) TPO No. 07/20

At: 79, Hall Ing Lane, Honley, Holmfirth, HD9 6QW

Tree numbers used are as per the application. Numbering of trees 3 onwards are taken as starting at the lower end of the garden boundary heading south.

T1 oak, Crown lift removing small diameter branches only (less than 10 cm) to give 5 metres ground clearance over the road and provide clearance of the phone lines. Remove higher of two crossing branches as this will leave better structure and balance to remaining crown.

T2 syc, Crown lift removing small diameter branches only (less than 10 cm) to give 5 metres ground clearance over the road and 3m over garden.

T3 oak, Clean out crown removing any dead wood over 100mm, and stubs; while maintaining the tree's structural integrity and natural form.

T5 ash, Clean out crown removing any dead, dangerous, hazardous or split branches and stubs; while maintaining the tree's structural integrity and natural form.

T9, triple stemmed ash with extensive canker growth and poor form fell and replace with 1 oak

T13 ash, fell and replace with 1 oak

T15 ash, with leaning stem and uneven growth to West, fell and replace with 1 hazel

T18 oak, remove two lower branches

T19 ash, remove two large low branches, advise leaving an extended stub to higher of these two to avoid damaging the main stem trying to achieve a target prune

T21 Holly, fell small tree closest to wall and crown lift remaining branches to give 2m ground clearance if required

T22 oak, Crown lift removing small diameter branches only (less than 10 cm) to give 2m ground clearance.

T23 ash, remove

T24 oak, remove

Please note:
T4 oak – Removal of ivy does not require permission
T6 no dead tree was found in this location
T7 no laburnum present in this location, and could not find a dead tree in this location

SUBJECT TO THE FOLLOWING **CONDITIONS:**

1) That ALL tree operations outlined in this notice be carried out within ONE year of the date of this notice. If for any reason such works are not completed within this period a new application must be made to the Council.
2) That all tree work shall be carried out in accordance with British Standard 3998: 2010 *Tree Work- Recommendations.*
3) That branchwood shall not be burned on site.
4) That the felled tree(s) be replaced by 2x Oak 1.5-2m in height and 1 multi-stemmed hazel, planted at the same place as the original tree(s).
5) That all replacement tree(s) described in condition (4) be planted in the first planting season (November to March inclusive) following the felling of existing tree(s).
6) That all replacement tree(s) described in condition (4) which suffer damage or die within 5 years of planting be replaced to the satisfaction of this Council.

Notes to Applicant in Relation to Decision

1.

Any conditions you will find detailed therein are mandatory and enforceable under the Town and Country Planning Act 1990. You are deemed to have accepted them as stated if you either:

i) Carry out works, or
ii) Fail to appeal within 28 days of receipt of the notice

2.

Should you wish to initiate an appeal, you should do so within 28 days of receipt of the notice. Appeals must be made using a form which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN (Tel: 0303 444 5000) or online at https://www.gov.uk/planning-inspectorate. Further information on the Planning Appeal process can be found online at the Planning Inspectorates website https://www.gov.uk/government/organisations/planning-inspectorate.

3.

Road & Street Works Act 1991: It is possible that part or all of the consented works may present a safety risk to the public. IT IS IMPERATIVE that before any works commence advice on sign requirements and /or traffic control is sought from our NRASWA Officers (Sean Fisher: 01484 225 426)

4.

Under section 1 and 9 of the Wildlife & Countryside Act 1981 (as amended): it is an offence to intentionally disturb or destroy any bird nest whilst it is in use or being built; or, to recklessly or intentionally damage or destroy a bat roost or, to cause disturbance or harm to bats.

5.

In no way does the Council accept any liability for damage to property or persons caused as a result of the work here authorised. Tree surgery can be very dangerous and the Council recommends strongly that a competent tree surgeon using appropriate safety equipment and with appropriate public liability insurance is employed.

6.

Consent for the tree work specified in this Notice relates only to the Town and Country Planning Act 1990 and is in principle only. If the work to be undertaken relates to trees growing on land owned by a third party, permission must be obtained from that third party before undertaking any work which requires access onto or over their land.

7.

Subject to the provision of the Tree Preservation Order, any person who has suffered loss or damage in consequence of any refusal (including revocation or modification)

of consent under the Order or of any grant of any such consent subject to conditions shall, if he/she makes a claim within the time and in the manner prescribed by the Order, be entitled to recover from the Council compensation in respect of such loss or damage, provided that no compensation shall be payable in respect of loss or damage suffered by reason of such refusal or grant of consent in the case of any tree the subject of a certificate in accordance with Article 5 of the Order

In assessing compensation so payable, account shall be taken of:

a) Any compensation or contribution which has been paid whether to the claimant or any other person in respect of the same trees under the terms of the said or any other Tree Preservation Order under section 29 of the Town and Country Planning Act1962, or under section 203 of the Town and Country Planning Act 1990, or under the terms of any Interim Preservation Order made under section 8 of the Town and Country Planning (Interim Department) Act 1943, or any compensation which has been paid or could have been claimed under any provision relating to the preservation of trees or protection of woodlands contained in an operative scheme under the Town and Country Planning Act 1932; and
b) Any injurious affection to any land of the owner which would result from the felling of trees subject of the claim.

A claim for compensation under the Order shall be in writing and shall be made by serving it on the Council, such service to be effected by delivering the claim at the offices of the Council addressed to the proper Officer thereof or by sending it by prepaid post so addressed, within 12 months from the date of the decision of the Council, or of the Secretary of State against the decision of the Council from the date of the decision of the Secretary of State on the appeal.

Any questions or disputed compensation will be determined in accordance with the provisions of section 179 of the Act (or as amended).

THE REASONS FOR THE COUNCIL'S DECISION TO **GRANT** CONSENT SUBJECT TO THE **CONDITIONS** SPECIFIED ABOVE ARE:

i. To ensure future tree cover and amenity.
ii. To ensure the continued health of the tree(s).
iii. To favour other trees.
iv. In the interest of public and/or personal safety.

Dated: 16-Apr-2020

Signed:

Karl Battersby
Strategic Director Economy and Infrastructure

TOWN AND COUNTRY PLANNING ACT 1990
Town & Country Planning (Tree Preservation)(England) Regulations 2012

NOTICE OF REFUSAL OF CONSENT TO FELL AND/OR PRUNE

Application Number: 2020/90736

In pursuance of its powers under the above mentioned Act and Regulations and the Tree Preservation Order made by the Kirklees Metropolitan Council (hereinafter called 'the Council') as Local Planning Authority and pursuant to the application submitted to the Council on 03-Mar-2020:-

THE COUNCIL HEREBY **REFUSES** TO CONSENT TO THE CARRYING OUT OF THE FOLLOWING OPERATIONS TO THE PROTECTED TREE(S) TPO No.07/20

At: 79, Hall Ing Lane, Honley, Holmfirth, HD9 6QW

T1 – Crown thin by 25% and shaping
T2 – Crown lift to 20 feet and selective branch removal, Crown thin by 25-30% and shaping
T3 – Remove 3 lowest branches and some work to 4th, shaping to improve aesthetics
T4 – Reduction work to large overhanging branch
T5 – Removal of limbs overhanging the garden
T6 and T7, Removal of dead trees
T22 – Removal of 2nd, 3rd, 4th, 5th & 6th branches

The **REASONS** for the Council's decision to refuse to grant consent are:

1. These trees are a prominent landscape feature in the locality and as such contribute significantly to public amenity consequently the grounds for their removal and pruning must be weighed against the amenity they provide.

2. The trees are an integral part of the woodland edge and their removal or excessive pruning would be detrimental to visual amenity and the composition of the woodland edge.
3. The absence of recent management is not reason to carry out excessive pruning or pruning that would be potentially harm the tree's long term health.
4. There was not enough evidence submitted with the application to definitively show the branches for removal posed any abnormal health and safety concerns. However, should additional evidence come to light the Council would be happy to consider a new application supported by this.
5. The pruning refused was considered excessive and may be detrimental to the health and appearance of the trees. Excessive pruning can promote infection and decay, adversely affecting the trees' long term health. Consent for lesser pruning has been permitted where appropriate.
6. With regards to T6 and T7, no dead trees were found in these locations but there were Elder trees which were coming in to bud.

Notes to Applicant Regarding Decision

1.

Should you wish to initiate an appeal, you should do so within 28 days of receipt of the notice. For an application form and further information please contact The Planning Inspectorate on 0117 372 6382 or have a look on their website www.planningportal.gov.uk/appeal

2.

Subject to the provision of the Tree Preservation Order, any person who has suffered loss or damage in consequence of any refusal (including revocation or modification) of consent under the Order or of any grant of any such consent subject to conditions shall, if he/she makes a claim within the time and in the manner prescribed by the Order, be entitled to recover from the Council compensation in respect of such loss or damage, provided that no compensation shall be payable in respect of loss or damage suffered by reason of such refusal or grant of consent in the case of any tree the subject of a certificate in accordance with Article 5 of the Order

In assessing compensation so payable, account shall be taken of:

a) Any compensation or contribution which has been paid whether to the claimant or any other person in respect of the same trees under the terms of the said or any other Tree Preservation Order under section 29 of the Town and Country Planning Act1962, or under section 203 of the Town and Country Planning Act 1990, or under the terms of any Interim Preservation Order made under section 8 of the Town and Country Planning (Interim Department) Act 1943, or any compensation which has been paid or could have been claimed under any provision relating to the preservation of trees or protection of woodlands contained in an operative scheme under the Town and Country Planning Act 1932; and

b) Any injurious affection to any land of the owner which would result from the felling of trees subject of the claim.

A claim for compensation under the Order shall be in writing and shall be made by serving it on the Council, such service to be effected by delivering the claim at the

offices of the Council addressed to the proper Officer thereof or by sending it by prepaid post so addressed, within 12 months from the date of the decision of the Council, or of the Secretary of State against the decision of the Council from the date of the decision of the Secretary of State on the appeal.

Any questions or disputed compensation will be determined in accordance with the provisions of section 179 of the Act (or as amended).

Guidance Notes
Choosing a Tree Work Contractor
(Tree Surgeon)

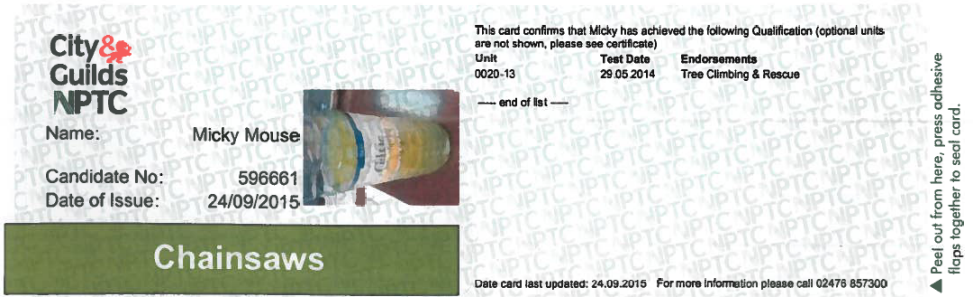

The Council does not approve or promote any private contractors, nor does it affiliate itself with any specific companies. If any company says they are Council approved or trained you should seek clarification as to which Council it is referring to and if you are not satisfied check with the authority concerned.

There are schemes running which produce a directory of approved contractors and companies. The Arboriculture Association (www.trees.org.uk) and Trust Mark (www.trustmark.org.uk) are examples of such schemes.

If you are looking for a company or contractor to carry out tree work, tree pruning, felling etc. you should consider the following:

- City and Guilds/NPTC Qualifications (National Proficiency Test Council). The company should be able to produce certificates and a photo ID card (See example ID card below) to show that they have the relevant qualifications for the operations they are intending to carry out. There are separate qualifications for using a chain saw, felling different sized trees, climbing trees, operating a chain saw in a tree etc. It is the individuals who hold the qualification, so unless they are undertaking training, employees need to be qualified for the tasks they do.

  Example City and Guilds/ NPTC Photo ID card:

(Sample ID card provided by City and Guilds September 2015, the appearance of cards issued before this date may vary slightly but are still valid)

- The company should be able to show you certificates of insurance for public liability and where the company has employees, employee liability as well.

- The company must work to the British Standard for Tree Work, BS 3998 and should be able to quote this if you ask them what the British Standard is. If you propose to carry out work to a protected tree with consent from the Council, this will be a condition of the approval.

- Ask for a written quotation, a reputable firm will be willing to do this. It would be advisable to get quotes from several different companies.

- Membership of an arboricultural organisation does not necessarily guarantee a contractor's level of competency, which will depend on the organisations terms of membership. However it does indicate that they are keeping up to date with industry changes. Examples would be the Arboricultural Association or the International Society of Arboriculture.

- The company should be able to show you copies of Health and Safety documents for their work type, risk assessments, inspection records for their climbing and rigging equipment (where applicable) etc. This will indicate that they are compliant with national Health and Safety requirements.

If you are seeking advice on a tree's health or safety, you are advised to look for:

- A company which holds professional indemnity insurance. This gives a degree of security should there be an adverse incident as a result of their comments.

- A formal qualification in arboriculture, forestry, horticulture etc would give an indication that they have the required technical knowledge about tree biology and mechanics to be able to advise you correctly. There are many different formal qualifications available examples of a few would be: National Vocational Qualifications (NVQ), Diploma or a Degree.

- A person who holds LANTRA Professional Tree Inspector. This shows that the individual has passed an assessment to show that their tree inspection skills are in line with the national standard. Holders of this award will be able to show a photo ID card.

If you are engaging an arboricultural consultant to produce a tree report for example, as a minimum they should hold the above mentioned insurance and a formal qualification.
