<p>I live on the street at the back of this property where people planning on using this prayer facility will have to park, as they can't park on the main road outside the property. As it stands the street is already heavily congested with parked cars from people living on the street and also with people who live on Wakefield Road parking their cars as they don't have any parking outside their property as it is a main road. Also there is a few young families living on the street where kids play out on the road, so with more vehicles about it will be become more hazardous.</p>
