I strongly object to this planning because the location does not suit for a prayer facility. Parking would be a problem for the local residents and prayer time will conflict with schools closing in the area. Also existing traffic congestion at this time due to the main road. I know the noise level of the call to prayer would also be a disturbance to the local residents, 4 times a day! I don't believe that there are many local residents that would benefit from having a prayer facility at this location.
