<p>I object to this planning because the location does not suit it for a number of valid reasons.</p> <p>Parking would be a major problem for the local residents, and there is nowhere else that the visitors could park without causing congestion.</p> <p>It would impact on the existing traffic congestion along this stretch of Wakefield road.</p> <p>People congregating near a very busy road would be dangerous to all involved. The noise aspect/disturbance while people are entering the premises.</p>
