| <p>I am very concerned about this application mainly due to the lack of parking available in the area. I have an elderly housebound/bed bound relative (who cannot comment herself as she has no internet) who lives on _____ and she has Careers visiting the property 4 times per day. They already struggle to park on occasions so I am worried this will cause further parking issues. Also, as the property is on the very busy main road with double yellow lines for safety, I am concerned people may stop to drop people off causing danger not only to other road users but to people trying to cross the road, especially children going to the park close by.</p> |
