<p>There are already several prayer facilities in the surrounding area so there is no need for another - Especially in this location! This is a road that gets extremely busy already, particularly during school run times and rush hour. The added volume of traffic this would bring would be an accident just waiting to happen.</p> <p>There are many houses close by that already have limited parking, for example Wakefield road residents have to park on opposite streets and parking is very limited, they cannot park outside their homes. This would add to the problem. A busy main road is not the right location for this type of facility.</p>
