Wakefield Road is already a very busy road with it being a direct route to the M1. Traffic is already at an all time high, not to mention the residential properties around this that will be disrupted by a call to prayer 4 times a day. There is no parking facility, therefore these residence who have compromised with parking will be further disrupted but adding this facility, not to mention the dangers associated with parking on a busy main road. The application states capacity of 25 people, which could be a maximum of 25 cars 4 times a day. Not to mention the fact that the proposed capacity limit will not be adhered to. Dewsbury already has numerous prayer facilities available within the community, we don't need another one causing more issues, altercations and racial tension unnecessarily. As a member of the community I strongly object to this application.
