<p>I do not think this should be made into a prayer area due to the fact the road is very busy already and it will effect all around the area for parking as we have a doctors just down from this news agent so it will effects the doctors ,plus it is so close to traffic lights , so it will also affect how the traffic will run and petrol station also across road which will be affected as there is just going to be too much going on.if this goes ahead and school around that area is also a bug concern as kids cross this road also so it is just going to be bad all over and is just a accident waiting to happen . Regards</p>
