<p>This is going to cause lots more traffic in an already highly busy area I don't think it should go ahead there's no parking around the location other than the streets at the sides of it and it won't be fair on the residents who live on those streets as they may struggle to park their own cars outside their own homes. There are two schools near by which my two children attend so I know how busy this area is as it already causes traffic congestion I really don't think it's safe to make this a building that will be no doubt be busy.</p>
