Due to the volume of traffic on Wakefield road already too busy due to new housing development on Bywell road. plus there is a large number of school children using that road . There is no parking for the people who would be using the prayer rooms as the road is so busy and congested already. Having a prayer room there would cause more traffic which would result in cars been parked all over and causing a accident This busy road as taken my young sisters life plus disabling my other sister so I know personally how dangerous it can be . Please take time and care in thinking's about this decision as life's could be lost as a result .
