A matter of highway safety. This is on a very busy main road which is already difficult to use and for this to become a place of prayer it will mean that parked cars will block peoples homes and the very busy road even more during prayer time. Which will also lead to children who use the main road to access school will be put in danger by parked cars as they will restrict the view of other road users meaning children walking into the road to cross hard to see and will likely end in children being unseen and hurt.
