I object to the planning application for the following reasons: Lack of parking facilities at the property for the type of usage. The property backs onto a housing estate that is already heavily used for parked vehicles by residents. There is also no parking at the front of the property due to the building sitting on a main highway on a crossing which is used by children both to and from schools at rush hour traffic times. Also the fact that a similar planning request for the same usage in Shaw Cross was denied due to sufficient amount of other facilities in the area
