I object as the location does not suit. This would increase traffic congestion, especially at peak times which will additionally effect local schools nearby. It would increase parking problems and noise issues, there are alot of elderly residents who would be disturbed by the noise of the call to prayer noise. Prayer time will conflict with school times and add to the already congested traffic along wakefield road at peak times. This is not a good idea at all for this already small village and heavily congested road full of traffic.
